Skills

Languages: HTML, CSS, JavaScript (ES6+), TypeScript, Java, SQL
Libraries & Frameworks: React.js, Bootstrap, jQuery, Express.js, Node.js
Templating Engines: EJS
Databases: MongoDB
Version Control & Tools: Git, GitHub, VS Code, Postman
Other Skills: RESTful APIs, Responsive Web Design, Object-Oriented Programming (OOP)

Experience

Web Development Intern — Summer Training   July 2024 – Aug 2024
E & ICT, IIT Kanpur   *Lucknow, India*

- Developed and deployed web applications using **React.js**, enhancing UI responsiveness and user experience.
- Designed and managed NoSQL databases using **MongoDB**, improving data handling efficiency.
- Implemented front-end components with **HTML**, **CSS**, and modern **JavaScript (ES6+)**, ensuring cross-browser compatibility.
- Built RESTful APIs and backend services using **Node.js** and **Express.js**, streamlining server-client interactions.
- Collaborated in a team environment to plan and prototype web apps
- Attended workshops on **full-stack development best practices**, including performance optimization and deployment strategies.

Projects

E-Billing Web App for Supermarket   July 2024 – Sept 2024

- Developed a full-stack web app to streamline supermarket billing and inventory management.
- Enabled adding, updating, deleting products and generating dynamic bills with total cost calculation.
- Integrated Stripe for secure online payments and Cloudinary for product image uploads.
- *Tech Stack: MERN (MongoDB, Express.js, React.js, Node.js), Stripe API, Cloudinary, JWT*

YelpCamp Clone`(Live Demo)`   May 2025 – July 2025

- Built a full-featured campground review platform with user authentication and CRUD operations.
- Used MapTiler and MapLibre for map integration and location-based campground display.
- Implemented secure user registration/login with sessions, flash messages, and route protection.
- *Tech Stack: Node.js, Express.js, MongoDB, EJS, MapTiler, Passport.js, Cloudinary*

Certificates

Web Development Course | `Show Credential`   July 2024 – Aug 2024

- Completed summer training at E & ICT, IIT Kanpur with hands-on experience in full-stack web development
- Worked on React.js, PostgreSQL, Firebase, Node.js, and Express.js
- Built responsive, secure, and modular web applications

The Web Developer Bootcamp 2025 – Udemy | `Show Credential`   May 2025 – July 2025

- Completed 74-hour course covering HTML, CSS, JavaScript, Node.js, Express, MongoDB, and EJS
- Built full-stack projects like YelpCamp with authentication, authorization, and image uploads
- Gained practical experience in REST APIs, templating, and deployment

Education

Bachelor Of Computer Applications   Oct 2022 – July 2025
Srmcem College   *Lucknow, India*

- CGPA - 7.92
